Officer Ramirez,  
Lots of service requests in maintenance supervisor Fuscano's district. He just sent me a photo. I will recover the service request and develop a plan to meet the timeline. There are heavy bulky items on the property just south of the location.

Hi Captain Torres,

Michael Fusano Park Maintenance Supervisor called today about a large homeless encampment on RAP property. (work order #19-1920) This is a time sensitive matter due to a tree planting event held on the property on 01/20/2019. The homeless encampment is exactly where they intend to plant trees. Lastly Fusano would like a follow up after 01/20 and verify the encampment has cleared the area. Can you help with this ? I've also CC'd Matthew from LAHSA who can assist with outreach if needed.

Respectfully,

Police Officer II Ramirez, Marco #40604
